The following are Scholarships/Awards that will be administered by the Tertiary Unit of the Ministry of

Education for the 2018/19 academic year.

### **Scholarships | Ministry of Education, Youth and Information**

The area of study known as the history of mathematics is primarily an investigation into the origin of discoveries in mathematics and, to a lesser extent, an investigation into the mathematical methods and notation of the past. Before the modern age and the worldwide spread of knowledge, written examples of new mathematical developments have come to light only in a few locales.
