The 18th century lasted from January 1, 1701 to December 31, 1800 in the Gregorian calendar. During the 18th century, elements of Enlightenment thinking culminated in the American, French, and Haitian revolutions. This was an age of violent slave trading, and global human trafficking. The reactions against monarchical and aristocratic power helped fuel the revolutionary responses against it ...

By Kendra Van Cleave . Over the past few years, Brooke Welborn and I have been intensively researching the robe à la polonoise. We found that the style had been confused with other dresses of the late eighteenth-century, most notably the robe à l'anglaise, both by academic researchers and historical costumers.

The 18th Century Robe à la Polonoise: Research Summary

European literature of the 18th century refers to literature (poetry, drama, satire, and novels) produced in Europe during this period. The 18th century saw the development of the modern novel as literary genre, in fact many candidates for the first novel in English date from this period, of which Daniel Defoe's 1719 *Robinson Crusoe* is probably the best known.
