Haesel can't remember anything but curious flashes of a life that was her own yet not. She doesn't mention the dreams to those who call themselves her family. There's blood in them, war and rage as humans fight humans and others, too. Though she can't remember anything about her own life she knows many things, and mythology is one of those.

'A Life Lived Twice' is set in France, with a definite French flavour. Martha Burton is a strong, likeable woman who has moved abroad, leaving an eccentric, unfaithful husband behind her. Her new life in a picturesque village in south-west France brings her into contact with real people facing a variety of difficult choices.
