

### **a literal translation of pdf**

In prosecuting the plan thus adopted, a literal translation was indispensable. No other kind of rendering could place the reader in the position contemplated, side by side with the writer--prepared to think as "he" does, to see as "he" sees, to reason, to feel, to weep, and to exult along with him.

our non-Arabic speaking friends questioning available translations, for there is a lack of a literal English translation. Every available translation, will unintentionally reflect the translator's thoughts or sect (we follow only Koran), and we are sure ours will fall victim to the same, although we took special care not to succumb.

### **Literal Translation**

4. An emphasized translation to bring out the full meaning and intensity of the original texts. All sources are freely available and linked through to the original source, making the multi - tiered translation process an "open translation." In other words, the source behind the translation is clear and available to all.
