The BCIT Accounting diploma program provides a solid foundation in accounting principles. Accounting students can earn an accounting diploma, bachelorâ€™s degree, and accounting designation in as little as five years. You will learn to prepare and analyze financial statements, create an audit working paper file, and apply personal and corporate tax principles.

BCIT : : Accounting: Part-time, Diploma

History. Corporate sustainability reporting has a history going back to environmental reporting. The first environmental reports were published in the late 1980s by companies in the chemical industry which had serious image problems. The other group of early reporters was a group of committed small and medium-sized businesses with very advanced environmental management systems.
