ScienceDirect is the world's leading source for scientific, technical, and medical research. Explore journals, books and articles.

### **ScienceDirect.com | Science, health and medical journals**

Advances in Biochemistry (AB) publishes papers in English in all fields of biochemistry and cellular and molecular biology, provided that they make a sufficient contribution to knowledge in these fields. Papers may include new results obtained experimentally, descriptions of new experimental methods of biochemical importance, or new interpretations of existing results.

Biosensoren basieren auf der direkten räumlichen Kopplung eines immobilisierten biologisch aktiven Systems mit einem Signalumwandler (Transduktor) und einem elektronischen Verstärker. Für die Erkennung der zu bestimmenden Substanzen nutzen Biosensoren biologische Systeme auf unterschiedlich hohem Integrationsniveau.

Food engineering is a multidisciplinary field which combines microbiology, applied physical sciences, chemistry and engineering for food and related industries. Food engineering includes, but is not limited to, the application of agricultural engineering, mechanical engineering and chemical engineering principles to food materials. Food engineers provide the technological knowledge transfer ...

3.1. Static three-dimensional culture3.1.1. Spheroids. One of the simplest methods of 3-D culture was achieved by formation of multicellular aggregates, or spheroids, which allow 3-D interactions with cells and the ECM in the absence of additional substrates .These spheroids have been utilized with a wide range of adherent cell types, formed by forced or spontaneous aggregation techniques ...

Engineering is the discipline and profession that applies scientific theories, mathematical methods, and empirical evidence to design, create, and analyze technological solutions cognizant of safety, human factors, physical laws, regulations, practicality, and cost. In the contemporary era, engineering is generally considered to consist of the major primary branches of chemical engineering ...
