And of all things, visible and invisible. The supernatural invisible world of the spirit does not exist side by side the physical visible world, like oil and water. Rather, the two worlds intermesh; the physical world is shot through with the supernatural. The ancient Rabbis knew this, and said that every single blade of grass had its own guardian angel.

And of all things, visible and invisible

For by Him all things were created, both in the heavens and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—“all things have been created through Him and for Him (Col. 1:16, NAS). Therefore, the physical world reflects the spiritual world from which it came.

When electromagnetic radiation is spread out according to its wavelength, the result is a spectrum, as seen in Fig. 1. The visible spectrum, as seen in a rainbow, is only a small part of the whole electromagnetic spectrum. The electromagnetic spectrum is divided into five major types of radiation.

INTRODUCTION The Electromagnetic Spectrum

Visible and invisible. Some early creeds were concerned to claim that God the Father was himself omnipotent and invisible, that is, that he was not to be compared with any known creature in heaven and earth. The phrase "Creator of heaven and earth, of all things visible and invisible," places the emphasis elsewhere.
