Ad Hoc Notes (4)...Page 2 Like everything with pups patience, affection and constant interaction will play a huge part on training of any kind, but the more bonded the pup becomes to you the less pup will want to foul your home, naturally dogs do not

### **Ad Hoc Notes (4) Puppy House Training**

The American Bulldog (commonly mistaken for the American Pit Bull Terrier) is a stocky, muscular dog with a short easy-care coat and large, block-shaped head. The dogs were originally bred for catching livestock and protecting property, and thus have a strong genetic predisposition towards protectiveness and loyalty.
