Language differentiation.

Africa in the Postclassical Era.ppt [Read-Only]

In An African Classical Age, Christopher Ehret brings to light 1,400 years of social and economic
transformation across Africa from Uganda and Kenya in the north to Natal and the Cape in the south. The
book offers a much-needed portrait of this region during a crucial period in which basic features of precolonial
African societies and cultures emerged.

Introduction 2. Pre-colonial Societies 3.

African Civilizations: From The Pre-Colonial to the Modern Day

Is Ehret justified in identifying an African "Classical Age," from 1000 B.C. to A.D. 400, that was of significance
in the context of world history? Yes, he undoubtedly is, even if this reviewer dislikes the use of such
conceptually oversimplified terminology either in Africa or elsewhere.

The End of the Classical Era: World History in Transition, 200-700 C.E. ... of the classical period in Asia. B.
Decline and Fall in Han China ... northern Africa and the southeastern portions of the Mediterranean, small
kingdoms temporarily replaced the Roman Empire. Religious dispute disrupted attempts at unity here.

Chapter 10 The End of the Classical Era: World History in

Africans had been enslaved by others before, and Nubian (African) slaves had been known in the classical world, but with the Muslim conquests of North Africa and commercial penetration to the south, slavery became a more widely diffused phenomenon, and a slave trade in Africans developed on a new scale.
