Paisley or paisley pattern is an ornamental design using the buta (Persian: Ø"ØªÙ‡ â€Ž) or boteh, a teardrop-shaped motif with a curved upper end. Of Persian origin, paisley designs became very popular in the West in the 18th and 19th centuries, following imports of post-Mughal Empire versions of the design from India, especially in the form of Kashmir shawls, and were then imitated locally.

However, Jodi has won and continues to win awards using these same designs on her contest quilts, so intermediate to advanced quilters who want to add modern touches to their quilts will gain a lot from this class as well.
