

### **descriptive statistical techniques for pdf**

Social science research. In addition, the conceptualizing of descriptive research (categorization or taxonomy) precedes the hypotheses of explanatory research. For a discussion of how the underlying conceptualization of Exploratory research, Descriptive research and explanatory research fit together see Conceptual framework. Descriptive research is also known as Statistical Research.

1 Overview of the Research Process Learning Objectives By the end of this chapter the reader will be able to:  
Explain the steps in the research process. Describe the basic components of each step. Use the steps as an  
organizing mechanism for a research project. chapter Outline I. Introduction
