Gossip Algorithms: Design, Analysis and Applications ... Distributed averaging arises in many applications such as coordination of autonomous agents, estimation and ... This paper undertakes an in-depth study of the design and analysis of gossip algorithms for averaging in an

Algorithms: Design, Analysis and Applications

Good design techniques now dictate using a comparator instead of an operational amplifier. There are ways of safely using an operational amplifier as a comparator " if the output stage is designed to be used that way - ... HANDBOOK OF OPERATIONAL AMPLIFIER APPLICATIONS 9 .

Handbook of Operational Amplifier Applications (Rev. B)

DESIGN METHODOLOGIES - 2 A more methodical approach to software design is proposed by structured methods which are sets of notations and guidelines for software design. Two major rules of this method Programs were to be broken into functions and subroutines There was only a single entry point and a single exit point for any function or routine.
