CTH: Iâ€™ve probably reviewed thousands of congressional letters, and intelligence committee letters from oversight, along with and executive agency responses. In fact, CTH has shared hundreds of outlines covering granular details within many of the internal memos and correspondences. However, I have never seen anything like this before.. The combination of arrogance, hubris and desperation ...

Panic is a sudden sensation of fear, which is so strong as to dominate or prevent reason and logical thinking, replacing it with overwhelming feelings of anxiety and frantic agitation consistent with an animalistic fight-or-flight reaction. Panic may occur singularly in individuals or manifest suddenly in large groups as mass panic (closely related to herd behavior
