Maltreatment and the Developing Brain - LFCC

The science of early brain development can inform investments in early childhood. These basic concepts, established over decades of neuroscience and behavioral research, help illustrate why child development—particularly from birth to five years—is a foundation for a prosperous and sustainable society.

Some parents/caregivers struggle with their own histories of violence, including ongoing abusive relationships. This can have an effect on a parent's willingness and ability to

Workshop Guide for Developing Healthy Relationships

This issue brief discusses the steps that may be necessary to create a child welfare system that is more sensitive and responsive to trauma. Every child welfare system is different, and each State or county child welfare system will need to conduct its own systematic process of assessment and planning, in collaboration with key partners, to determine the best approach.

Program description of Child-Parent Centers. The Programs that Work section of the Promising Practices Network (PPN) site features descriptions of evaluated programs that improve outcomes for children. PPN programs are organized by four major outcome areas, and sub-categorized by indicators within each outcome area. Programs are also categorized by topic area and by evidence level.

Developing countries. According to Globalissues.org, "Almost half the world's™ over three billion people™ live on less than \$2.50 a day." This statistic includes children. Based on UNICEF statistics, in developing countries the cost is roughly US\$900 for raising a child for a year, and US\$16,200 for raising a child from birth to age 17. (This calculation is difficult, since families in ...

Cost of raising a child - Wikipedia

The parent is demanding but not responsive.. Authoritarian parenting is a restrictive, punishment-heavy parenting style in which parents make their children follow their directions with little to no explanation or feedback and focus on the child's and family's perception and status.
