Part of the "Directory of World Cinema" series, this title includes contributions from some of the leading academics in the field. It features film recommendations from a range of genres for those interested in watching more cinema from these regions.

Directory of World Cinema: East Europe : Adam Bingham

Summary. From bleak Expressionist works to the edgy political cinema of the New German Cinema and the feel-good Heimat films of the postwar era, Directory of World Cinema: Germany aims to offer a wider film and cultural context for the films that have emerged from Germany - including some of the East German films recently made available to Western audiences for the first time.

Directory of World Cinema: Germany - Read Online

Knight Publishing eventually expanded to add several other magazine titles such as Adam Black Video Illustrated, Adam Gay Video, and Cinema X Monthly and several others, but Adam Film World remained the flagship of the group until it was discontinued in the late 1990s in favour of Adam Film World Guide.
