America on the Move explores the role of transportation in American history. Visit communities wrestling with the changes that new transportation networks brought. See cities change, suburbs expand, and farms and factories become part of regional, national, and international economies. Meet people as they travel for work and pleasure, and as they move to new homes.

In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network. The "Emerging Scholars" group began informally, but its leadership now ...
