

early medieval cemeteries new pdf

As the first half of the period is largely prehistoric, archaeology plays an important part in studies of early Medieval Scotland. There are no significant contemporary internal sources for the Picts, although evidence has been gleaned from lists of kings, annals preserved in Wales and Ireland and from sources written down much later, which may draw on oral traditions or earlier sources.

Neolithic cemeteries are sometimes referred to by the term "grave field". They are one of the chief sources of information on ancient and prehistoric cultures, and numerous archaeological cultures are defined by their burial customs, such as the Urnfield culture of the European Bronze Age.. Early Christianity
