envisioning peace educating through pdf

A climate-friendly school is a school that uses education for sustainable development (ESD) to promote a culture of sustainability in which students, staff and families hold shared values and beliefs about the importance of taking action for a more sustainable society.

Education for sustainable development - Wikipedia

McGill University's Institute of Air & Space Law and its research arm, the Centre for Research in Air & Space Law, have a rich history of education, public service and scholarship.

Institute of Air & Space Law - McGill University

Sustainability is the process of maintaining change in a balanced fashion, in which the exploitation of resources, the direction of investments, the orientation of technological development and institutional change are all in harmony and enhance both current and future potential to meet human needs and aspirations. For many in the field, sustainability is defined through the following ...
