Even Worse is the fifth studio album by "Weird Al" Yankovic, released on April 12, 1988. The album was produced by former The McCoys guitarist Rick Derringer. Recorded between November 1987 and February 1988, this album helped to revitalize Yankovic's career after the critical and commercial failure of his previous album Polka Party! (1986).

This paper discusses the economic impact of the Basel III reforms to banking regulation. We find that the long-term impact should be much less than many in the industry fear but the required accompanying changes to business models, business processes and governance, need to be carefully managed to avoid a severe shortage of funding.

Earlier this month, a research misconduct scandal in molecular cell biology broke out in the big news. Yoshinori Watanabe, Japanese researcher of cell division and how cells separate their replicated DNA during mitosis and meiosis, was found guilty of scientific misconduct by his University of Tokyo (read the news here and here). This followed

Unemployment levels reveal that we already have enough potential workers. Increasing employment opportunities and improving wages would increase funds paid to social security. Social security systems are artificial, so adjustments for changes such as a reduction in the number of potential workers can be made.. In the USA, a pea-and-shell game is being played on taxpayers.
