Learners are expected to have achieved GCSE Mathematics at grade 4 or above (Grade C) before working towards this qualification. It is intended for use in a wide range of settings, including learners working towards the new City & Guilds TechBac® programme. Because Level 3 Core Maths is designed to be a two-year programme, the next assessment opportunity will be in the summer of 2018.

Languages are a fundamental aspect of people's lives and the democratic functioning of society. In response to the needs identified in or by its member states, the Council of Europe has been working over the past few decades to compile a set of resources made available to education authorities and professionals and benefiting all Europe's citizens (see milestones).

Learning is the process of acquiring new, or modifying existing, knowledge, behaviors, skills, values, or preferences. The ability to learn is possessed by humans, animals, and some machines; there is also evidence for some kind of learning in some plants. Some learning is immediate, induced by a single event (e.g. being burned by a hot stove), but much skill and knowledge accumulates from ...
